A NOTE FROM THE DIRECTOR

Dear Friends, Neighbors and Visitors,

We are living in unprecedented times due to the COVID 19 Pandemic. Our citizens and visitors are very fortunate to have the outside recreational opportunities that we have in our community.

Butte-Silver Bow is in the heart of Montana, situated between Glacier and Yellowstone Park. Our Parks and Recreation Department is taking care of some world-class recreation amenities right here in Butte-Silver Bow.

As we enter 2020 spring, summer & fall, we invite you to explore our community following the local Health Department, Governor's Phased orders and CDC guidelines, as we work our way into a new normal. Our recreational opportunities continue to grow and the excitement around these facilities, and parks can be seen and felt throughout the community and state.

The summer of 2020 will be a year off for our famous festivals, parades and outside group gatherings. Although we may not gather as a community, we share our love of our outdoor spaces and facilities. This spring, summer and fall will offer the community and visitors an opportunity to get out and explore activities that they may have never tried before. We are blessed with an abundance of outdoor recreational activities for the citizens of Butte-Silver Bow and visitors to our community.

The third season of Ridge Waters will be determined if or when we can open the doors due to the COVID 19 Pandemic. We will keep the public updated on the status of Ridge Waters, Clark Park Splash Pad & the Wading Pool at Chester Steel Park.

Although we are extremely proud of the new addition to Stodden Park, it is just a drop in the bucket of the recreational opportunities we have in Butte – Silver Bow and Southwestern Montana.

Recreational opportunities are offered during every season. These year-round recreational activities include hiking, biking, rock climbing, fishing, camping, boating, skiing, snowmobiling, ice fishing, motorcycle and ATV riding, and so much more. These opportunities make Butte-Silver Bow and Southwest Montana a very diverse and unique community that distinguishes us from other communities.

If you love to fish, you have come to the right community. Children can learn to fish at our Skyline Park Children's Pond. Once the kids learn these skills you can take them to the many Blue-Ribbon Lakes, Rivers & Streams, that are only a short drive away from Butte.

It doesn't matter what you are looking for, we have it.

Come out and enjoy our wonderful recreational opportunities. Butte-Silver Bow is an exciting place to get outside and play!

Sincerely,
J.P. Gallagher
Butte-Silver Bow Parks and Recreation Director

MINE YARDS

Butte-Silver Bow Parks and Recreation maintains two former mine yards, The Original and Foreman's Park at the Mountain Con. **497-6535**.

MOUNTAIN CON & FOREMAN'S PARK

Originally the site of the former mine foreman's house, Foreman's Park is built on the remediated ground of the historic Mountain Con mine yard. It features sweeping views of Butte's Summit Valley, the East Ridge, the Highlands Range, and the surrounding Anaconda-Pintler, Pioneer and Flint ranges. It also extends by two miles the paved Copperway and Butte, Anaconda & Pacific trails that snake through Uptown and the West Side from Montana Tech to the Granite Mountain Memorial further north. The Mountain Con is an easily identifiable landmark - it is the mine headframe that bears the slogan 'Mile High, Mile Deep' at its base, referring to Butte's elevation above sea level and the depth of the Mountain Con Mine itself.

Park amenities include a pavilion, rest rooms, picnic tables and benches, interpretive signs, barbecue grills and more. Historical features in the project area were preserved and interpreted through signage. The pavilion at the Mountain Con is available for rent. Go to **butteparksandrec.com** or **497-6535**.

The walking trails and park can be accessed via parking lots at these locations:

- On Wyoming Street, a block north of Woolman Street.
- On Pacific Street— turn east off of Main.
- On Center Street — turn east off of Main.

ORIGINAL MINE YARD

Enjoying the Montana Folk Festival at the Original Mine Yard - photo by Steven Cordes

The Original Mine Yard is one of Butte's signature historically preserved mining yards. The yard is home to a headframe (also called a "gallus" or "gallows" frame) that was used to lower men and mining equipment down into the mine and lift up Butte's gift to the United States: copper. The hoist house on site still houses the enormous gears that operated the lift to carry men and minerals up and down the shaft.

The Original Mine Yard has found new life as the world-class event location for the Montana Folk Festival, the An Ri Ra Irish Festival and Butte-toberfest (Butte's Oktoberfest).

From the grassy lawn of the Original yard, watch world-famous musicians saw at their violins or pluck banjos during the Folk Festival. Enjoy the fast-kicking Irish step dancers during An Ri Ra.

The Original Mine Yard means entertainment in a city known for its original personality. If you are interested hosting an event at the Original Mine Yard, call **497-6535**.

The children are between the ages of 3 and 18, and come from Butte and surrounding counties. Our program serves between 35 to 40 children per year and we hold two riding sessions in June and July on Monday mornings. Volunteers are needed as side walkers or leaders of horses. BUTTE-SILVER BOW ANIMAL SHELTER

Summer is the perfect time of year to enjoy the outdoors with your pets! The Butte-Silver Bow Animal Services Department has a few reminders to ensure you, your pet's, and the community's safety.

All dogs residing in Butte-Silver Bow are required to have a current rabies vaccination and county dog license. Licenses are sold at the Animal Shelter and rabies vaccinations can be given by your local veterinarian.

When your pets are at home be sure they are secured on your property with plenty of fresh clean drinking water and have a shelter to get out of the sun. If it is an extremely hot day, we recommend you leave your pet indoors where they can stay cool.

Animals should never be left in a vehicle for any length of time during warm or cold temperatures. This can cause serious health issues for your pet. Even with the windows open, a vehicle will still get dangerously hot for pets.

Butte-Silver Bow requires that all dogs be secured on a leash when out for a walk within the BSB fire district. There are trail systems throughout Butte that offer safe and scenic paths that can be enjoyed with your pups as long as they are secured on a leash.

However, if you would like to enjoy some off leash time with your dog, Skyline Park offers several secure "off leash" areas within the park. Please keep your dog leashed at the park until you are securely in the off leash area. Thompson Park is another beautiful space that allows dogs to be off leash under supervision. As for the other parks in Butte, dogs are not permitted to be in these parks.

Last, if you are attending the festivals in town, remember dogs are not allowed at these events, so please leave them home where they are comfortable and safe.

If you have any questions or concerns regarding animals, please contact the Butte-Silver Bow Animal Services Department at **497-6525**.

Thank you for keeping your pets safe and happy. Hope you have a great summer!

WORLD MUSEUM OF MINING

The World Museum of Mining was founded in 1963. Butte experienced a century of hard-rock mining and earned the reputation of being home to one of the world's most productive copper mines of all time. The Museum exists to preserve the enduring history of Butte and the legacy of its rich mining and cultural heritage.

The World Museum of Mining is one of the few museums in the world located on an actual mine yard, the Orphan Girl Mine. With 50 exhibit buildings, countless artifacts, and 66 primary exhibits in the mine yard.

By walking the streets of Hell Roarin' Gulch and venturing to the depths of the Orphan Girl Mine, you can almost see the miner's blackened faces and hear their exhausted sighs at the conclusion of the work day!

CROSS COUNTRY SKIING

MT. Haggin: The Mile High Nordic Ski Education Foundation, in cooperation with the Montana Fish, Wildlife, and Parks has established 25 kilometers of Nordic ski trails that reach close to the Continental Divide. Volunteers from the Foundation groom these trails weekly, usually on Thursday, Friday or Saturday. These trails are free to the public, but the Foundation is able to maintain these trails through membership dues, donations and grants to pay for our fleet of grooming snowmobiles and implements, and an ocean of sweat equity from volunteer groomers. The trails are located on Mill Creek Highway (MT 569), 11 miles south of MT Highway 1, near Anaconda.

milehighnordic.org/mount-haggin/

Moulton: The Mile High Nordic Ski Education Foundation, in cooperation with the Beaverhead-Deerlodge National Forest grooms 15 kilometers of trails. The trails, set in dense lodgepole forest with short traverses through open meadows, are narrow, which makes for an intimate ski experience that lends itself to classic technique. Skate skiers are welcome. The terrain is hilly with challenging climbs and fast downhill. milehighnordic.org/moulton/

Thompson Park: The Highland Cycling Club grooms 17 miles of trail for fat-tire biking, including the Milwaukee Road Rail-Trail, which is great for backcountry skiing. Other groomed trails can be hiked or snowshoed throughout the winter. Parking is limited adjacent to MT Highway 2 at the entrances to Eagles Nest.
